Dear Sir,

RE: APPRECIATION

On behalf of the SMC - Kiteghe Primary School and the teaching staff, I would like to give my appreciation to you Sir for the projects you have initiated at this school.

The library building, the library books, water tanks and pipes and now the just completed Modern Kitchen are a blessing to our institution. We have seen a great improvement in the academic standards of our learners. Learning has become very enjoyable and children are always enjoying the resources <sup>you</sup> have contributed.

We thank you very much and would like to continue having you in our institution for as much time as possible.

Thanks a lot

Yours Sincerely

Mzungu Elias - SMC Secretary
