

Information on donating to African Promise for US donors

African Promise is registered as a charity in the UK (#1122285) but we are not registered in the US as a 501(c)(3) non-profit organisation. However, we work with a number of registered 501(c)(3) partners who accept donations on our behalf, meaning US residents can still make tax-deductible dollar donations in support of our work.
